Dear Miss Agababian;

I have brought your request for participation by the Armenian Churches Sports Association to our Committee and it was decided that the Sports Association as such, would not be able to be actively engaged in this affair. However, since the members are actively connected with their local Churches, we feel that their participation will come to you through their own Parishes.

I am certain your affair will be a successful venture, and the Armenian Churches Sports Association certainly wishes you all good wishes possible.

Sincerely,

Subject: Automobile Raffle 1973

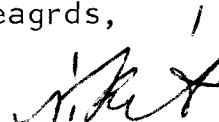

Dear Jck:

Please review enclosed drafts (ticket and soliciting letter) and after having improved or changed them to your taste, rush them to Ed Bashian and Suren Fesjian for their approval and release. If they or Lily know of any Armenian car dealer who would agree to sponsor the cars at cost, his full name and address should be on the ticket stub.

Souren Allalemdjian suggests that we print 250 real tickets and 250 dummies (without numbers). He had some experience with such raffles in the past and perhaps you should first talk to him as to the advantages of such a procedure. If you agree with him then, I recommend, you take it up with the two co-chairmen and proceed in accordance with their decision. In any event tickets should not be cheap but suggest a raffle of quality, exclusiveness and distinction.

Please read enclosed minutes of the meeting and try to meet deadlines. By January 15th or so, please mail these minutes out along with a letter inviting all 10 committee members to the second meeting on January 24th. In this connection, I recommend, you talk to Ed Bashian and ask him who else should be invited to this committee's meetings. Since automobile raffle tickets will be sold with a personal touch, we should have more people on the committee. People with an ability to sell.

Please keep me advised of the progress. Thanks, reagrds,

Encl.

Dear Suren,

I have enclosed drafts of the Raffle ticket and letter to be sent out by committee members personally.

The ticket will be designed in some attractive form, but the copy should be checked by you and approved meanwhile. One item of importance is whether an effort is going to be made to get the prizes donated, in which case, donor names should be listed on the ticket.

A further question, should 250 extra unnumbered tickets be printed as Souren Allalemdjian suggested, for preliminary mailing purposes?

If there are others you wish invited to our January 24th meeting, let me know.

Best.

Sincerely,

Jack Antreassian

Thank you for your permission extended to our Mrs. Araksi Kirishjian, who, on behalf of the Bazaar Food Committee, contacted you regarding the use of the church's refrigerator for our Bazaar weekend, May 19-20, 1973.

As a followup on this request, I visited your church last week and Miss Armine Mardigian was kind enough to show me where the refrigerator is located, the mechanics of the lights, the entrance-way, etc. We will probably need the refrigerator a week before our Bazaar, and at Miss Mardigian's request, I should like to confirm this with you in writing.

Some time during the second week in May, I will contact you again as to final arrangements.

Again, thank you for your cooperation.

Dear Sirs:

The Armenian Diocese of America is celebrating its 75th Anniversary this year and one of the events being planned is a Grand Bazaar which will take place the weekend of May 19-20.

During this Bazaar we expect to sell, as well as serve, many Armenian foods to Armenians as well as to non-Armenians. Since the last bazaar the Cathedral held was 5 years ago, and all our sister parishes are contributing their time and talents to helping make this bazaar a huge success, we expect a turnout of thousands. The financial success of this Bazaar will be determined by the attendance at the Bazaar as well as generous donations by our merchant Armenians.

Towards this end, may we ask you for a donation of whatever product you can send us in whatever quantity you would like to donate? We will be pleased to make note of your donation in some form of announcement, if you wish.

May we hear from you on this? And thank you for your courtesy.

Sincerely,

Weston, Ontario, CANADA

Dear Mr. Borgo:

The Armenian Diocese of America is celebrating its 75th Anniversary this year and one of the events being planned is a Grand Bazaar which will take place the weekend of May 19-20.

During this Bazaar we expect to sell as well as serve many Armenian foods. In addition, since the last bazaar the Cathedral held was 5 years ago, we expect to have thousands of Armenians as well as non-Armenians attend both days. The financial success of this Bazaar will be determined by the attendance at the Bazaar as well as generous donations by our merchant Armenians, as well as non-Armenians.

Towards this end, may we ask you for a donation of cheese, in whatever quantity you would like to make, so that we can serve it with the katah which our church ladies will be making during the week preceding the Bazaar. We will be pleased to make note of your donation in some form of announcement, if you wish.

May we hear from you on this? Thank you for your courtesy.

Sincerely,

Alice Antreassian

Mr. Henry Arslanian

4 Vassar Road  
Poughkeepsie, N. Y. 12601

Dear Mr. Arslanian:

Confirming the conversation our committee member, Mrs. Araksi Kirishjian, had with you last week, we would like to thank you for your donation of 25 pounds of basterma for our Grand Bazaar which will be held the weekend of May 19-20 in celebration of the 75th Anniversary of the Armenian Diocese of America. We will be pleased to make note of your donation in some form of announcement during our Bazaar, where we expect thousands of Armenians as well as non-Armenians to attend.

In addition, we should like to order 100 pounds of basterma at the price of \$3.25 which you quoted to Mrs. Kirishjian. However, before we make this an official order, I would like to have it confirmed by our committee which will be meeting on March 27th. Soon after that meeting date, I will be in touch with you again.

Thank you again for contributing in your own way towards helping to make our Bazaar a financial success.

Sincerely,

Alice Antreassian

Dear Mr. Apikoglu:

Following up my telephone conversation with you two weeks ago, I should like to thank you for your donation of soujouk to our Grand Bazaar which will be held the weekend of May 19-20. Since soujouk is a favorite of Armenians as well as non-Armenians, and we expect to have thousands attend our Bazaar on both days, we know your product will get good publicity as we expect to make note of your donation in some form of announcement.

We will be most pleased to accept any donation you wish to make, whether it be 25 pounds or 125 pounds. Please remember that our last Cathedral bazaar was 5 years ago, and since we expect an enormous crowd, we shall need a great deal of food. And of course your generous donation will help to make this the financial success that the Bazaar Committee hopes it to be.

I will be in touch with you two weeks before the Bazaar to make arrangements as to delivery or pick-up.

Would you in the meantime send us a confirmation as to exact number of pounds you can donate, and let us know what your price would be if our Committee needs to order additional pounds of soujouk. Thank you very much.

Sincerely,

Alice Antreassian

Dear Sirs:

The Armenian Diocese is celebrating its 75th Anniversary this year and one of the events being planned is a Grand Bazaar which will take place over May 19-20 weekend.

On Saturday, May 19, between 1 and 5 in the afternoon, and again on Sunday, May 20, we are having a Children's Carnival in our Kavookjian Auditorium. Towards this end, since it will be a non-profit undertaking, we wonder whether we can ask you for a donation of milk, in whatever quantity you can, for the children who will be attending the Carnival.

We would prefer to have the donation in quarts of milk and will be pleased to make note of your donation. If this is possible, I would appreciate hearing from you as to when and where delivery can be made. It would be preferable to have the milk delivered on Friday at the Diocese, but if this is not practicable for you, we will be pleased to make other arrangements.

I thank you for your cooperation in helping to make our Anniversary celebration a financial success for the Diocese.

Sincerely,

*Alice Antreassian*

Dear Nikit:

Yours was an achievement that will be hard to measure with words of appreciation. You not only led, together with Lily, a massive enterprise that produced a large amount of much needed funds for the Diocese, but you also did this in a manner that brought great credit to our Church.

Everything seems to have gone beautifully in our Grand Bazaar, an environment was created in which it was a pleasure to participate, both for visitor and for worker.

How difficult it must have been, how much work and involvement it required I can well imagine. As long as we have devoted people like you, our Church and community will always remain strong and flourishing.

May God bless you and your loved ones always.

Dear Michael:

We are deeply appreciative of your generous donation of \$500 made to the Armenian Diocese, leaving the decision to us as to its specific application.

We would like very much to keep this sum in a fund in your name, and determine at some later date for what purpose the income is to be used. In this manner the fund will have more permanent value.

In any event, we can regard this as a tentative decision, and review it later this year for final disposition.

May God bless you for your kindness and thoughtfulness.
