

General Information: No Deliveries on Saturday. Five Ft. tables are extremely hard to come by; standard sizes are mostly, 4, 6, and 8 ft. It has been indicated, tables are required one week before Bazaar. Therefore, delivery would have to be Friday, May 11 and pickup would be either Mon. or Tues, May 21 or 22. The estimates therefore are based on weekly rates. Inquiry made on basis of 75 to 100 tables needed.

ABBEY RENTS - PL 2-1881 - Mrs. Stevens:

	<u>One Day</u>	<u>One Week</u>
8 ft.	2.95	4.42
6	2.75	4.13
4	2.50	3.75

Less 10% because we are a Church.
 No extra charge if an elevator is used. But if they have to take downstairs, add \$50. for round trip delivery.
 They deliver on Friday but don't pick up Fridays. Therefore, she will allow us the one week rental rate for pickup on Tuesday after Bazaar even though this really runs into a second week rate.

Note: May 1st there will be a rate increase. WE ARE NOT SUPPOSED TO KNOW THIS BUT MRS. STEVENS TOLD ME DISCREETLY. If we want above rates, we will have to contract for same before May 1.

NOTE →

PARTY TIME - MU 2-8838 - Carol:

	<u>Weekly Rate</u>
8 ft.	3.25
6 ft.	3.00
5 ft.	2.75 (If they can supply any at all, it would be a max. of 15)
4 ft.	2.50

Since we are a Church, instead of charging for 2 weeks, they would charge for one week, plus 1/2 a week. Therefore, a \$3.25 table would be \$4.90. No problem about ~~stairs~~ stairs.

CHAIR RENTING (Recommended by Mrs. Ordjanian) IN 3-1811

No 5 ft. tables.

<u>One Day</u>	<u>One Week</u>

Plus \$2.20 for 2nd week or part thereof.
 Therefore, a \$4.37 table would be \$6.57.

Need Several Days notice.
 Will deliver/ downstairs.
