NEW! Same address but new rooms in the main building of the First Unitarian Church at Carlisle and Comanche, NE. New smaller classes, emphasis on self-help, tapes available, guest lecturers, and a conversational Armenian group. This is a cooperative effort in which the program requires a division of labor. Also, if we can successfully recruit a half dozen readers (and there may be only that many who are fluent) would you be interested in an Armenian classics story hour? (Translators included) If so, let us know.

BALLOON FIESTA
October 2--11

The International Balloon Fiesta, Inc of Albuquerque is planning launch area site day-long activities following the dawn take-offs and has invited us to participate with other groups. When they provide us with more details, we can in turn inform you.
