

ՄՈՒՐԲ ԵՐՐՈՐԴՈՒԹԻՒՆԸ ՀԱՅԱՍՏԱՆԵԱՅՑ ԵԿԵՂԵՑԻ  
HOLY TRINITY ARMENIAN CHURCH

March 11, 1979

His Eminence  
Archbishop Torkom Manoogian  
Primate and President of the Diocesan Council  
Diocese of the Armenian Church of America  
630 Second Avenue  
New York, NY 10016  
U.S.A.

Your Eminence:

We feel that the Diocesan Council's decision of last year to create two parishes within Metropolitan Toronto with certain boundaries should be considered as null and void due to the rebellion against the Diocesan authorities of the leaders of the other to-be-formed parish under the leadership of Bishop Aris Shirvanian.

If and when the rebellion ends and a second parish is still to be considered, then, new boundaries and arrangements should be initiated.

Furthermore, we are pleased to inform you that Holy Trinity Armenian Church of Toronto has developed plans with the Toronto A.G.B.U. to erect a joint project of a new church and community centre on abutting lands under separate ownership. This action was taken upon instructions from the Annual Parish Assembly of February 25, 1979 which passed overwhelmingly. The parcel of land has been purchased already and details are being worked out.

We will advise you further as more of the details are established.

Yours truly,

PARISH COUNCIL
