Dear Mr. Kurkjian:

We are obliged to convey to you the following decision of the Diocesan Council at its meeting of April 18, 1980 as regards the Diocesan Assessments of your parish. For the year 1980 the Holy Cross Parish of Toronto shall be assessed 50% (fifty percent) of the total assessment calculated according to the present formula in use, using the data presented for the year 1979. The Holy Cross parish will, therefore, be obliged to remit to the Diocese the sum of U.S. \$ 4,827.00. The parish is further advised that as of January 1981 it will be assessed the full amount.

May God send you His strength and blessing in building and strengthening His holy abode.

Prayerfully,

Archbishop Tprkom Manoogian
Primate
