November 10, 1981

Dear Mr. Stoneson:

Further to our telephone conversation of last week in Montreal, I must first of all apologize for delaying our response to your previous correspondence since we were awaiting formal severance papers from the municipality with regard to our parcel of land.

We have since engaged the services of an attorney, Mr. Berj Papazian QC, of Toronto to initiate reciprocal legal documents with regard to both parking and entrance easements. Mr. Papazian has advised us to integrate such agreements into the final title deed for the property.

In the mean time as you can see from the enclosed copies of correspondence between us and the AGBU, we have proceeded by a decision of the Parish Council, to consolidating our prior agreement with respect to the purchase of land already approved by the Diocesan Council.

On November 15, 1981, there will be a Special Parish Assembly to issue final approval of church plans by the membership. We hope this is to your entire satisfaction, and remain,

Sincerely yours,

S. Tchilingirian
Chairman, Parish Council
