Dear Hair Sourb;

Re: Land Purchase negotiations with  
Armen-Ontario

I refer to the discussions that took place during your last visit to Toronto regarding the above subject, with the Parish Council, the Diocesan Delegations and ourselves. Enclosed herewith please find a photocopy of letter of November 14, 1983 received from Kellermann and Shier, Attorneys for Armen-Ontario of A.G.B.U. Inc. Toronto, which is self-explanatory. The signboard on the site has been removed yesterday.

We await receipt of your further advices in the matter at the earliest opportunity.

Thank you and with Season's Greetings.

Respectfully yours,

*Caro A. Martin*
