Donations to Saint Vartan  
Armenian Cathedral  
and the Diocese of the  
Armenian Church of  
America, are deductible  
for income, gift and estate  
tax purposes

You have recently been sent literature on the Diocesan Stewardship Program with an appeal that you consider joining our Stewardship Program. If you have not already become a St. Vartan Steward, we ask you to consider membership with the donation of \$100 to the Diocese. Remember that your tax deductible donation will be deducted directly from your Parish assessments to the Diocese.

In the spirit of the approaching Holiday Season, becoming a St. Vartan Steward is a fine way to acknowledge one's blessings and share his good fortune. Your donation will be greatly appreciated and will be used to advance the great work of our Church.

Sincerely yours,

Zaven Dadekian  
Chairman
