Dear Sandra,

It was a pleasure getting acquainted with you during the recent meeting at the Diocesan Headquarters.

At that meeting you mentioned about certain material which you thought might be helpful in soliciting contributions. I will appreciate your sending me about six sets including the pledge cards.

My personal pledge for 1978 will be approximately \$400.00 of which \$200 will be direct donation in two installments. Balance will be paid to the diocese in response to various requests for solicitation and monthly payment of \$10. or \$15. by check to the plate collection of the cathedral where I attend every month. This year I have also planned to donate \$1000.00 to the Diocesan Endowment Fund.

My daughter's family, Dr. and Mrs. George Kolligian are planning to donate not less than \$200. I also expect to forward a copy of the above material to my other daughter in Belgium for consideration. My wishes for your success in this worthwhile endeavor.

Best regards
Vahan B. Kurkjian
