

January 3, 1992

Dear Father:

Last July 31st, I sent you a letter about the Diocesan Stewardship Program which you may have overlooked or misplaced because of your busy schedule.

You and the Diocesan Delegates have asked the Diocese to be innovative and aggressive in its mission - serving our people, parishes, youth, senior citizens, and its programs. Changes have been made to expand and improve the programs and services of the Diocese and thereby benefiting each and every parish which is an extension of the Diocese.

One sure way for this mission to succeed is for our "Teachers" to set an example for the parishioners. I look forward to your joining the Stewardship Program with a yearly pledge of \$100.00.

Stewardship is a noble concept and an acknowledgement that everyone accepts his share of the responsibility of lightening the heavy burden of our Church and Diocese. Since all of us are the church itself, we add strength to ourselves.

Your support is vitally needed. Please join the Diocesan Stewardship family and return the pledge form with your check payable to the Diocese of the Armenian Church - Stewardship in the enclosed envelope today.

Thank you again.

Sincerely,

George K. Papalian
Coordinator
