

October 8, 1992

Dear Delegate:

We, as delegates, have the responsibility of representing our parishes at the annual Diocesan Assembly as well as guiding and helping the Diocese. I hope that you had the same feeling as I did in that our last Diocesan Assembly was productive. We asked the Diocese to be innovative and aggressive in its mission. We asked for changes - some of which have been made and more are on the way; but, it's implementation will not be possible without our support. The Stewardship Program is one way of helping so that our suggestions may be carried out and none of the necessary programs will suffer.

You can help by:

1. Become an Annual Steward and pledge \$100.00 dollars per year; OR
2. Become a Life Steward with a one-time donation of \$1,500 dollars per person.

The Diocese is busy finding solutions to the difficult problems it faces and needs our help, as I need your help in making the Stewardship program successful.

The 1992 goal is within reach if you would join your brother delegates and the clergy who joined the Diocesan Stewardship family.

"We got high marks in 1991 and together we will set new marks in 1992."

Thank you for taking a few minutes out of your busy schedule and filling in the enclosed form and mail it today.

Sincerely,

George K. Papalian
Coordinator
