Dear Mr. Zotian:

The new St. Vartan Stewardship Program instituted in our Diocese has already been discussed during regional meetings and personal visits to our parishes. The importance of securing urgent support for our Diocese cannot be over-emphasized.

As described in detail in the accompanying brochure, the Diocese needs the support of devoted individuals who will donate \$100 a year to help implement its various programs and operations; it needs at least 1,000 such persons, and relies on you to help get them.

The idea of stewardship is for people to give whatever they can as long as they can. We ask for nothing from those who are unable to give anything.

In any event, it is imperative to make this effort now, without delay.

We are asking you as one devoted to your Church to be a part of this effort, and become a St. Vartan Steward, and help create a warm fraternity of support for our Cathedral and Diocese.

The future well-being of our Diocese depends on the success of this effort.

With warm regards and best wishes for a Happy Holiday Season.

Sincerely,

Reverend Mampre A. Kouzouian
Canon Sacrist
