Dear Mr. Davitian:

I was very happy to learn from Michael Kehayan of your willingness to become a St. Vartan Steward.

We have only recently embarked on this program which we regard as very important to the future of our Cathedral and Diocese. It is our hope that we will be able to interest as many as one thousand persons to participate as Stewards.

We welcome you to this growing family, and would appreciate it very much if you could send us your contribution of \$100 at your convenience.

Sincerely,

Jack Antreassian
Executive Director
