The new St. Vartan Stewardship program, as described in detail in the accompanying brochure, needs the support of devoted individuals who will donate \$100 a year to help carry out its various programs and operations; it needs at least 1,000 such persons.

We are asking you as a devoted member of the Armenian Church to become a St. Vartan Steward and thus create a firm foundation of support for our Cathedral and Diocese.

The future well-being of our Diocese demands that this effort be made, and made now. Won't you please read the enclosed brochure carefully, then complete the form on the back page and return it together with your check in the enclosed self-addressed envelope?

We are counting on you.

Sincerely yours,

Abraham Bodurian
