Dear Sirs:

We are extremely grateful for your willingness to be St. Vartan Stewards, and for your generosity in donating \$100 each in this capacity. We hope this will be a beginning in establishing true stewardships in our Church.

A special lapel pin is being prepared for Stewards; as soon as they are ready we will be very pleased to send you one each which we earnestly hope you will wear.

It is our hope that you will renew your stewardships regularly each year, about which we will be in touch with you.

Thank you again, and very best wishes.

Sincerely,

JA:aa
