Dear Berj,

Enclosed is a check for \$1000 to be credited toward the \$25,000 pledge made by St. Vartan Cathedral Guild. Kindly mail the receipt to the new Treasurer:

Mrs. Jack Pagdikian

32-50 88th Street

Jackson Heights, New York 11369

Please include in your receipt, the figure showing ~~to~~ the total amount paid to date, including the enclosed \$1000 so that the new board may be cognizant of their responsibility. The out-going board has left some excellent files in our lockers, have given them keys to the files, but to date, I have not seen them open the lockers nor consult with any of the data and valuable information. For the present I am an advisor and will try to direct them in the right path, but after that, I don't know. Hope in the future they will get more interested to find out what has been done and what should be followed through.

Sincerely,

Isabel Kay
