Dear Mr. Markarian:

Thank you for your remittance of \$1,000.- representing the last payment on your very generous \$10,000 Godfather pledge.

I personally wish to express my thanks and appreciation for your kind words of encouragement. There is a work to be done and I try to do my best. However, neither I, nor my colleagues could have achieved what is done without the support of wonderful people like yourself. I only wish that all pledgors would handle their promises as promptly and as regularly as you without the need of constant reminders which sometimes remain unheeded.

Thank you again and may you and your family enjoy a Peaceful, Healthy and Prosperous Year.

Sincerely,

Haik Kavookjian
