Dear Haig:

Thank you for your check for  
\$3000.- and your very kind words.

If it weren't for wonderful people  
like you I couldn't have done what-  
ever I have tried to do and continue  
doing it.

I wish we had a few more like your-  
self, acknowledging their pledge and  
sending it without waiting for any  
reminders. This is what I call  
" Giving". God bless you.

The above mentioned check completes  
your generous pledge of \$10,000.- and  
we are enclosing a receipt for \$3,000.-

Thank you once again and warmest regards.

Sincerely,

Haik Kavookjian
