Dear Mrs. Mavian:

It has been some time since your beautiful altar paintings have been installed in our Cathedral, and our initial impression has been confirmed in every way.

We know how pleased you too will be to learn of the various expressions of joy and approval that have reached us.

Your work was not only a fulfillment of art, but also of spiritual need. At an appropriate time we hope to set a date for the anointment of the paintings.

May God bless you.

Prayerfully,

Archbishop Torkom Manoogian  
Primate
