Dear folks:

It is always such a pleasure writing to you because it is not to say just "Thank you", but to answer a nice letter written by the nicest people in the world.

Your check for \$8,000.00 is most welcome and as usual you are right about your figure. The only balance left is \$15,000 and I should add, I am not a bit worried about it!

Thank you again and warmest personal regards.

Sincerely,

Haik Kavookjian
