Att: Mr. Haik Kavookjian

Dear Mr. Kavookjian:

This is to advise you that I have this day donated sixty shares of the Common Stock of Textron, Inc. to the Diocese of the Armenian Church of America, by transferring the aforesaid shares to the account of the Diocese of the Armenian Church of America with Burnham & Co.

These sixty shares represent a donation by me to the Diocese to be applied towards the unpaid balance of \$2,000.00 on my pledge of \$10,000.00 as Hatchkayer Genkahayr.

The receipt to me should be for sixty shares of Textron, Inc., Common, and dated as of today.

Pursuant to instructions, Burnham & Co. has been authorized to sell the said sixty shares at \$34.00 or better. This should net the Diocese \$2,000.00 and the unpaid balance on my pledge should thereby be paid in full. If, however, the net proceeds do not amount to \$2,000.00, please advise me and I will send you an additional check to make up for the difference, as I wish to pay my pledge in full.

With this pledge paid in full, I am no longer under mortgage to either the Diocese or the A.G.B.U. Don't be surprised if I start spending money on myself hereafter.

Trusting you are well, I remain, with kindest regards,

Sincerely,
