Dear Dick:

Thank you for your letter of June 15th enclosing a check for \$2,000.43 in full payment of your Hatchkar Godfather's pledge.

I was never worried about your pledge, but I cannot say the same for some of the other "Godfathers". Victor Alexander, Michael Vahradian and of course Haig Tashjian haven't paid a cent since 1969. I have written to them several letters to no avail. Victor Alexander "promised", but it's still a promise. You know him and Vahradian, I wonder if you could do something about giving them a little "push". These are the only ones who have not made regular payments and I wish we could wake them up.

Thanks again for your remittance and kind personal regards.

Sincerely,

Haik Kavookjian
