Mr. Dicran H. Boyajian
26 Thurston Road
Watertown, Mass.

Dear Mr. Boyajian:

Thank you for your prompt reponse
to my appeal.

Your check for \$250.00 completing
your pledge was most welcome. More
important for me was the gracious way
it was tendered. If we could do things
when we wanted to do them, there would
be no problems. Unfortunately, cir-
cumstances beyond our control govern
us sometimes.

Thanks you once again for your kind
support of the Project.

Sincerely,

Haik Kavookjian
