Dear Mr. Bakmazian:

We write to express to you our deepest gratitude at your kind generosity in presenting a beautiful carpet to our Diocese. It is through the dedication of faithful sons of our Church such as yourself that we are able to carry on a wide range of activities, and to welcome nearly a quarter of a million visitors a year through these gates.

In this season of the Nativity and Theophany of Our Lord, we pray that God send abundant blessing to you and all your loved ones for joy, good health and long life in a world at peace.

Prayerfully,

Archbishop Torkom Manoogian
Primate
