Ms. Siraun Palvetzian

Dear Ms. Palvetzian;

This is a belated answer to your kind letter of the
30th of October, 1979.

As I told His Grace the Serpazan Haier, after paying
"Caesar" what was due in taxes, I thought of your letter
and of the Church.

The 9 x 6 rug sent to the Diocese is a Indo-Herati
hand woven rug, rust ground, and its retail market
value would be about \$850.00. I am sure you will make
good use of it.

Sincerely,
Hagop H. Asadourian,
