Your Eminence:

I am writing in appreciation of the time you and Father Khajag extended me recently when I came to inscribe the Book of Armenian Miniature Paintings I had donated to the Museum. Knowing how valuable every moment is for you, I do thank you sincerely for having had the opportunity of sharing a few with you.

Incidentally, I was surprised to see that you have the identical book entirely in Armenian. They truly are beautiful and memorable books to have.

May God bless you always and keep you in good health.

Respectfully,

Florence L. Grunstra
