Dear Mrs. Mangurian:

We extend our deepest gratitude for the ceramic work you so generously gifted to our Diocese. "The Bark" is simply exquisite, a masterpiece formed by the hands and soul of a great artist and we are indeed fortunate that it can now be displayed at the Diocesan Headquarters for our countless visitors to see.

May God bless you for such generosity and may His Spirit continue to inspire the beauty and vision of your art.

Prayerfully,

Archbishop Torkom Manoogian  
Primate
