Dear Yervant:

May we extend our deepest appreciation to you for the many kindnesses you have rendered to our Diocese in the past weeks.

We have you to thank for transporting the large needlepoint work donated by Mrs. Nectar Kantarjian whom you were also gracious enough to visit concerning a further donation to the Cathedral. Please extend our thanks as well to your friend who helped bring the needlepoint to Diocesan Headquarters.

We are very grateful for these and many other services. May God bless and be with you and may His Spirit brighten your life and that of your loved ones.

Prayerfully,

Archbishop Torkom Manoogian
Primate
