Dear Mrs. Kardashian:

We received your very gracious letter of January 6, 1981, and were honored to have been able to share our final prayers and blessings for Gould with his family and friends.

Your letter brought back many memories of our long association with Gould, who was and always will be a beloved friend to us and to our Church. Such people are with us forever and we bask in the consoling hope that we will all be together again someday in the unimaginably warm embrace of the Lord.

We have asked Colonel Victor Arzoomanian, Director of the Armenian Church Endowment Fund, to forward the complete list of the in lieu of flowers donations as soon as it is complete.

May God be with you and your loved ones every minute ~~of~~ this difficult time and may His Spirit fill your hearts with the faith and love that conquer all sorrow.

Prayerfully,

Arch~~b~~ishop Torkom Manoogian
