Dear Mr. and Mrs. Aprahamian:

We very gratefully acknowledge your donation of \$1,000 (one thousand dollars) for the general fund of the Diocese of the Armenian Church of America.

Such a generous gift, so humbly forwarded to our headquarters, cannot be adequately acknowledged in words. The Armenian Church has always been the hub of the nation and of every Armenian community throughout the world. Here in the United States, fast becoming the largest Armenian community outside of Armenia, the ancient mission of the church has expanded to meet every conceivable need of our people - spiritual, educational, cultural and social. It is only through such great kindness as you have extended that we are able to serve our people as constantly and vigorously as we would like.

May God bless you for your generous concern and may His Spirit continue to imbue you with the deep faith and love which are only His to bestow.

Prayerfully,

Archbishop Torkom Manoogian
Primate
