Dear Mr. Kouzoujian:

We very gratefully acknowledge your donation of \$1,000 (one thousand dollars), to the Pacesetters Mortgage Fund of St. Vartan Cathedral.

Our mortgage obligations have been a major financial burden over the years and it is only due to such magnanimous kindness as you have extended that we will actually fulfill these obligations in the next few years. At long last this beloved structure, our Cathedral, will belong completely to the community which has lovingly labored to make her its own.

May God bless you for your generosity and may His Spirit continue to imbue you with the great faith and love which are His alone to bestow.

Prayerfully,

Archbishop Torkom Manoogian  
Primate
