Dear Mr. Sewny:

We are deeply appreciative of your generous gift of \$10,000, which you and your sister Alice have so kindly made to the Diocese of the Armenian Church of America. The gift will be established, as you requested as the Dr. Dicran and Aznive Sewny Fund.

It is typical of the devotion you and your family have shown for our church for many, many years.

We are grateful for this latest demonstration of your warm attachment.

May the blessings of the Lord be granted to you and your family always.

Prayerfully,

Archbishop Torkom Manoogian
Primate
