Dear Mrs. Ternamian:

We are delighted to hear that your children are celebrating your 90th birthday. We join your children, relatives and friends in wholeheartedly congratulating you in this blessed 90th year of your life.

The aged are the blessings of a family and the 90 years are like a crown over your head. God has granted you children who are devoted to you as their beloved mother.

Both the Diocese and the St. Gregory parish are grateful to you for your support and contributions.

May God grant you a healthy long life on your birthday.

Prayerfully yours,

Reverend Mampre Kouzouian  
Canon Sacrist
