Dear Dick,

I have sold the two Hundred (200) shares of the America Standard, Inc. stocks, for a total price of \$4775.00. I shall have the Cathedral Project pay for the brokerage costs. We will need an additional \$200.00, to complete your \$5000.00 contribution at this time. At your earliest convenience, will you forward to me a check for that amount, please.

I hope the family is all well. Give your lovely wife my greetings and take care of yourself -we will still need you for quite some time to come.

With warmest regards,

Sincerely

Haik Kavookjian
