Dear Ms. Missirlian:

Following our telephone conversation of today, I am enclosing the letter form received from the Brokers to be typed and signed by your father. As the stocks are already sold, I think it is better not to date this letter, let them put it themselves.

Kindly return the letter to us here in the enclosed self-addressed envelope.

Sorry for this additional bother and thank you for your cooperation.

Sincerely,

B. Papazian, Scrty. to
