Dear Mrs. Solakian:

I received your beautiful Birthday card, together with your generous check for \$1000.00 toward the Cathedral Bldg.Fund.

I thank you both for your nice words and your generous donation. It pays to be 101 just to hear nice things that friends like you say about me. Your donation is greatly appreciated and I cannot thank you enough for it.

Kindest regards.

Sincerely,

Haik Kavookjian
