Our Dear Friends

Mrs & Mrs Haikra Alice Karookjian

I hope everything is fine with you, as for myself I was in the hospital for about 2 weeks for a small surgery, and thank God, it was successful and now I am at home recuperating.

I have received your secretary's Miss Papuzian's letter, enclosed find the letter addressed to Paine, Weber, Jackson, & Curtis also my check $\$225^{00}_{xx}$ to make my pledge $\$5000^{00}$.

Kindly mail me a receipt for my 200 shares of American Standard, amounting $\$775^{00}$ either from Paine, Weber, Jackson & Curtis, or from the Diocese of the Armenian Church as this is necessary for my Internal revenue service inspection. Wishing you

a continuous good health and our
heartiest congratulation for your
101st birthday.

With love,
Dikrana Shahrig, Missirlian
