Armenian Cathedral Building Project

Dear Haik:

It is a pleasure to respond to your recent letter and to enclose my pledge check.

We have had serious business reversals in the past two years over conditions beyond our control. I am delighted to tell you that we are now on the way up again, and hope that this trend will continue.

I want to take this opportunity to congratulate you for the leadership that you have given to the Cathedral Building Project, and to your many benefactions.

May God keep you and your dear wife healthy and happy for many, many more happy years to come.

Margo and I extend to you and Alice our warmest holiday greetings.

With kindest regards, I remain,

Very truly yours,
