Dear Garo:

I received your letter enclosing your check for \$1000.00 which was most welcome. But most of all, it was your letter that moved me. You have always been there whenever I yelled for help and which more wonderful is that you do it with a smile and beautiful words. If I only had a few like you, my worries would be over.

Thanks again and may your New Year be prosperous and most of all a healthy one for you and your family.

Sincerely,

Haik Kavookjian
