Messrs. Archie and Jack Kolligian
35 Swan Street
Medford, Mass.

Gentlemen:

We wrote to you several letters, the last in April of 1972 about the balance of your pledge toward the Cathedral Building Fund.

You had pledged for \$5000.- and paid \$3000.- which shows good faith and willingness to complete the pledge. If you have not been able to do so you might have had a strong reason. We do hope that whatever it was, does not exist anymore and you will respond to our plea at this time.

Like any business, this huge Project has to be run businesslike, otherwise we cannot meet our monthly commitment of over \$12,000.- Therefore, it is imperative that we know where we stand as far as pledges are concerned.

We are confident that we will hear from you before the end of the year, hopefully with a check. However, if you feel that you cannot fulfill your promise, PLEASE let us know. We are sure that you do not leave business letters unanswered; do not ignore this one. It is your privilege to revoke the balance of your pledge, but it is also ours to know about it.

Thank you for your courtesy.

Sincerely,

A handwritten signature in cursive script, appearing to read "Haik Kavookjian".
