Dear Mrs. Devejian:

We received from Fr. Mampre Kuzujian  
63 shares of St. Regis Paper Company  
common stock which you had given to  
the Cathedral Building Fund toward  
your pledge of \$5000.-

The proceeds of the above mentioned  
stocks will cover the balance of your  
pledge which now stands completed.

We wish to take this opportunity to  
thank you for your very generous pledge  
and its fulfillment.

We are enclosing our official receipt  
which shows the number of stocks and  
the rate they were given. That's how  
our lawyers ask us to handle stocks which  
is, we understand, in your favor.

Thanks you once again and best wishes.

Sincerely,

Haik Kavookjian
