**HUDSON DISPATCH**

UNION CITY, N. J.

Mr. Jack Antreassian  
Diocese of the Armenian Church

December 29th, 1974

Dear Jack:

My deepest thanks to you for the "tribute"--it was wonderful--and I am grateful for the copies of the Armenian Church showing the layout which I will hand down to my grandchildren.

And thanks for sending the drawings back. Give my thanks to whoever made the layout. He did a grand job. Maybe it was a she--I don't know.

Also, enclosed find my check for \$1,000 on my godfather pledge . Please turn it over to Uncle Haik. And I hope things pick up over there financially. I know what you're going through. Sincerely

Lud
