Your Grace:

At the private birthday party for Mr. Haik Kavookjian at the Waldorf-Astoria, perhaps enthused by the gifts which were announced, Mrs. Ann Hintlian of Boston approached me and stated that she planned to do "something along those lines", and that you had already spoken to her. I took the occasion to say a few words of encouragement.

The purpose of this letter is to suggest that in view of the foregoing you may wish to see Mrs. Hintlian on your next trip to the Boston area and find out what she has in mind. Of course, if the amount is substantial, you might state to her that she may pay it over a period of several years.

Good luck.

Respectfully,

Richard K. Gregory
