Dear Mr. Vahradian:

We received through the Diocese of the Armenian Church, your check for \$4,000.- as final payment on your original pledge of \$10,000.-

Your generous remittance came at a time when funds were very badly needed. The little money that we have on hand is tied up to bring some interest and the monthly \$12,058.17 mortgage payments are very hard to meet.

Thank you for your past and present generousities toward the Church and may God give you manifold for your efforts.

Best wishes for a Happy and Healthy Holiday Season.

Sincerelyyy
