Dear Mr. Kavookjian,

Enclosed are two more checks from my Fiftieth Anniversary in America party, which I had misplaced. The check for \$50.00 is from Tavloo games that we have played with the Dadourians.

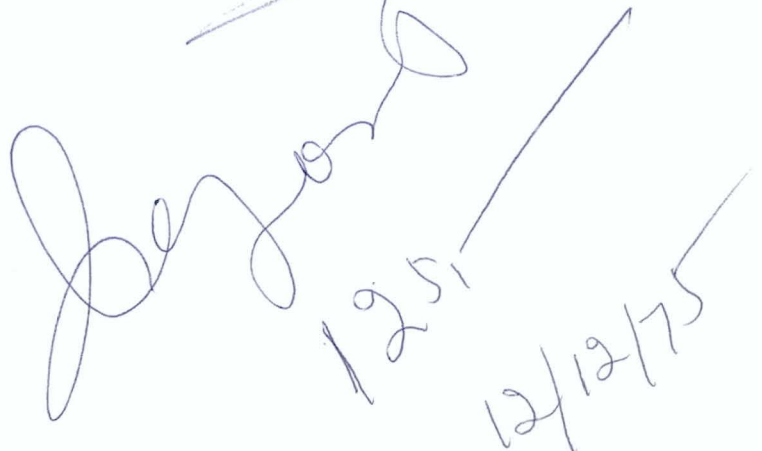

I would like this money to be applied to the Cathedral mortgage, please. I didn't remember if I had sent you a copy of this biography which my wife, Alice, wrote for my party. I would like you to have it.

I hope you and Alice are well and that you will have a very wonderful Christmas and New Year. I hope you will continue to stay in good health and be with us for many, many more years to come.

Sincerely yours,
