Dear Mr. Mugar:

Thank you for your kind note announcing the good news of the fulfilment of your so generous pledge toward the Cathedral Buiding Fund. I already have the stocks which we are going to sell.

Thank you also for your nice words and thanking of my patience. I knew that my patience and my "prayers" would help. I am ready to be patient any time with friends like you who understand the situation and come to the rescue as soon as they can for which I thank you again.

I am enclosing a receipt for the stocks.

My best wishes for good health and prosperity.

Sincerely

Haik Kavookjian
