Dear Mrs. Kazanjian:

In April Ms. S. Shahinian wrote to you with regard to the beautiful
crochet work given to the Diocese of the Armenian Church of America.

We would like to publicize the article, as we often do with many
donations to St. Vartan Cathedral and to the Diocesan Museum.

Is it possible to know more about the person who made the article
and yourself as the donor; i.e. when and from where did she arrive in
America, etc. Any information, and a photograph would be most helpful.

Thank you in advance for any assistance you may be able to give.

Yours sincerely,

Syraun Palvetzian
