

HAGOP ASADOURIAN RUG CO. INC.

MANUFACTURERS AND IMPORTERS OF ORIENTAL RUGS SINCE 1933.

SIXTH FLOOR (602),
276 FIFTH AVENUE, NEW YORK, N.Y. 10001
TELEPHONE: (212) 889-4775.

Dec. 22, 1978.

His Grace Archbishop Torcom Manugian
Diocese of Armenian Church,
630 Second Ave
New York, NY 10016

We wish to donate a rug,

Stock #10331, size 4.11 x 3.5,

made by, according to an old label on the back of it,

"Made by the Armenian girls in Ghazir (Syria)
orphanage of the Near East Relief".

We are enclosing herewith two appraisements by two different experts, who value the rug, earlier this year, at \$2000.00. With the present upward tendency of old rugs like this, the present value may even exceed the above appraisements.

I have been through orphanages myself during those bleak years, and, knowing the background of the rug, could not sell it in good conscience and want to give it to my church.
