Dear Hayrenagitsner:

At behest of Mrs Elenora Ordjanian, am sending by hand of Daniel Bazikian, the following as a donation to the Cathedral. I understand this will be for use in the Baptismal room:

pair of brass candlesticks 3 feet high, inscribed in Armenian "Hishdgeh Ashdanags Yerits Yegeghetsyats; joghovuyrtyan goghmaneh Amasyoh Mayis 30, 1902"

This is joint effort of myself and Mr Haig Berberian also of this address, room 200.

Any receipt to be made, the amount will be divided as I have outlined to Mrs Ordjanian.

In any published acknowledgement, my name is not to be mentioned please; just "from a first generation Armenian-American."

Respectfully yours

  
George Bedigian
