Dr. Robert H. Hewsen
Glassboro State College
Glassboro, New Jersey 08082

Dear Dr. Hewsen:

We gratefully acknowledge receipt of the two maps which you forwarded to our attention.

As aeronautical approach charts, they offer interesting views of the parts of Turkey and the Soviet Union in which modern and ancient Armenia lie. They will be fine additions to our library of books and materials.

Thank you for your kind gift and may God bless you in all your endeavors.

Prayerfully,

Archbishop Torkom Manoogian
Primate
